

Add RADIANCE to your skincare routine for an evened and radiant skin complexion.

*We love making you beautiful.*

Collagen Lift® Paris **RADIANCE**, an oil serum formulated using an active ingredient, Hexylresorcinol, selected for its convincing results in terms of radiance and lightening properties, thus reducing pigmentation spots. The complexion is evened, and the skin regains its radiance.

### **Skin Lightener and Skin Protection/Anti-aging**

RADIANCE contains Hexylresorcinol. This active ingredient acts as a skin lightener, reduces the appearance of brown spots (intensity and number), while smoothing and toning the skin. It is also an anti-oxidant.

- \*anti-oxidant
- \*lightening properties
- \*clear oil serum
- \*extremely light to the touch
- \*glides over skin
- \*non-greasy
- \*super absorbent
- \*non-comedogenic (does not clog pores or causes blemishes)

#### *Directions for Use:*

*Morning and/or evening, two possible applications modes on previously cleansed skin:*

- Place a few drops of RADIANCE in the palm of your hand, then apply evenly over the entire face and neck. Targeted application is possible.*
- In the palm of your hand, place 3 to 5 drops of the RADIANCE Concentrate in your day or night cream. Mix until you obtain a homogeneous mixture before application.*
